

A Message to *Investors*

Thank you for visiting my website.

For nearly **40 years**, our business group has built a strong foundation through industrial development, strategic investment, and continuous expansion. Today, under my leadership, our businesses support more than **3,000 families**, with a current investment base exceeding **BDT 4,000 crore** across our business operations.

Over the past two decades, we have focused on expanding industrial capacity, diversifying investments, and strengthening our business portfolio. With approximately **BDT 1,200 crore** in additional investment planned for the full-scale development of **Karotoa Green**, our total investment base is projected to exceed **BDT 5,200 crore**, representing approximately **30% expansion** from our current level.

Our Investment Philosophy

Our financial strategy is built around **sustainable profitability, disciplined capital allocation, operational efficiency, and long-term value creation**. We continue to strengthen our investment portfolio through productive industrial assets, capacity expansion, and diversified business opportunities.

Our objective is not simply to expand the size of our businesses, but to build financially resilient enterprises capable of generating sustainable earnings and creating attractive long-term investment opportunities.

An Invitation to Investors

As we enter the next phase of our journey, I welcome investors and strategic partners who share our vision for sustainable growth, responsible investment, and long-term value creation.

Together, we can build stronger businesses, create new opportunities, and contribute to lasting economic development.
